

Ready for a clear out?

B&M Secure Shredding offer ad hoc document destruction service to help protect your company's confidential information.

- Helping you to remain compliant with the Data Protection Act (1998)
- Fully accredited to British Security Industry Association (BSIA) standards
- Drivers hold advanced DBS checks
- BS EN ISO 9001 accredited and destruction is completed to BS 15713 standards
- A Certificate of Destruction is provided and all waste is recycled after shredding

We can destroy your documents on-site in our gated, mobile shredding vehicle or collect them to shred at our secure facility. With the flexibility to choose a date and time that suits you, we are able to provide you with secure bags and containers ahead of time. Alternately, if your documents are already stored in archive boxes, we can simply take these.

We can shred:

- Confidential paper and cardboard (including files)
- Hard drives, laptops and computers
- ID badges and credit cards
- Textiles

So, if you'd like peace of mind that your confidential documents have been disposed of securely, please contact our team:
