

Reducing Leeds' Carbon Footprint

B&M Waste Services in Leeds is a Carbon Neutral, recycling-led waste management company, providing cost-efficient and environmentally-friendly solutions for your business waste.

We do more than just our day job...

We support local charity, Children's Heart Surgery Fund, which supports children and adults born with congenital heart defects across Yorkshire and North Lincolnshire.

**CHILDREN'S
HEART SURGERY
FUND**

**Carbon
Neutral**
PAS 2060

We have also planted trees at customer sites to help off-set their carbon emissions.
