

Reducing Birmingham's Carbon Footprint

B&M Waste Services in Birmingham is a Carbon Neutral, recycling-led waste management company, providing cost-efficient and environmentally-friendly solutions for your business waste.

We do more than just our day job...

We support local charity, The Lily Mae Foundation, which supports parents and families who have tragically lost a baby to Stillbirth or Neonatal Death..

Supporting Parents and Families after a Stillbirth or Neonatal Death

We have also planted trees at customer sites to help off-set their carbon emissions.
